25X1 6. [ ] GLC) On the basis of his request to the duty  
25X1A officer on Saturday, I provided Ben Mandel, Senate Internal Security  
Subcommittee staff, with copies of the Cuban list of participants at the  
Tri-Continent Conference and the draft list compiled by the Agency.  
After checking with [ ], OCI, I advised Mandel he could use  
the Cuban listing without attribution to the Agency on the assumption that  
it had been obtained through Subcommittee sources.

25X1 7. [ ] GLC) Following up on conversations between Mr.  
R. V. Mrozinski, Aerospace Assistant of the National Aeronautics and  
Space Council, and Mr. Brandwein, FMSAC, I contacted Mr. James  
Gehrig, Senate Space Committee staff, and Mr. Charles Ducander, House  
Space Committee staff, regarding an Intelligence Memorandum on the  
Tyura Tam missile test center complex. Later in the day, I showed this  
document, containing codeword material, to Mr. Gehrig who expressed  
considerable interest in it and said he would like to show it to Committee  
Chairman Anderson and Senator Margaret Chase Smith at a later time. I  
told Mr. Gehrig the document would be available for their perusal on request.

25X1 8. [ ] GLC) Handcarried to William Darden, Senate Armed  
Services Committee staff, a letter from the Director to Chairman Hayden  
concerning withdrawals from the reserve fund. I also provided Darden  
with copies of the NEW YORK TIMES series on the Agency which he had  
requested. In addition, I mentioned to Darden that Senator Margaret Chase  
Smith had visited the Agency for breakfast last week adding that we considered  
it a very worthwhile session.
